“ Prayers for family and friends. Miss Marian was such a kind friend when I moved to Gillett, and felt 'lost', not working for the first time in my life, other than teaching piano. Although I grew up with a mom and grandmother who were excellent seamstresses, Marian is the one who made it fun. I'd bring my portable machine and we'd sew away. I even remember some of the fabric and garments from that time. Diane Holloway was part of those sewing 'parties'. Such a warm, generous lady. She touched many lives, besides mine!

“ Mr Fuhman...it was, indeed, my pleasure to meet you in person and speak with you this evening at Ameca. I appreciate the conversation with you and thank you for serving our country along with my dad, Harold Rush. He would be pleased I spoke with you. Again, I am so very sorry for the separation from your wife of so many years. Isn't it wonderful that you will meet her again in Glory? My sincere condolences and prayers for you and your family now and in the days ahead.
