“ Terry was such a loving and caring person. He never ever forgot anything about those he loved. I will forever remember the nickname (socks) he gave my son after he was born and even years after. A joy and blessing to so many!!!!

“ This truly breaks my heart. I was his cousin, but he always called me his sister. Truth be told, we argued like brother and sister. 😊 We grew up together, and he taught me so many things. Terry, give Auntie and Uncle Ernie the biggest hug for me, and tell them both how much I miss them. Til we meet again. ❤️

“ Terry taught me a lot of the things.
The value of persistence, humor, how to give and accept love.
I know he and his momma are together again, and I think I can hear
George Jones playing in heaven.

“ I am blessed to have had the privilege to get to know Terry and take care of him at Crestpark. He will be truly missed. He would greet me everyday when I got to work. He had many sweet thangs. When I think about him I will always have a smile because he could make a bad day into a good day.
