“ *My favorite memories of Mr. Tommy was when he would bring ducks to my grandpaw during duck season to get dressed. we would have a great time talking to him. Mr. Tommy and grandpaw would tease each other about anything at all. He was a great man to know and talk to. I know my dad liked talking to him too.*

*Tommy was a true outdoorsman, hunter and fisherman. His trapping ability was amazing. I'd never seen a big beaver until Tommy showed me a 50+ pound animal he took that was killing trees on one of the hunting properties he trapped. He always found a way to get the job done. It didn't matter what we were doing, if it was outside it was fine by him.*
