What My Aunt Meant To Me

*Aunts have no wands or wings,
So they work with wisdom, love, and things.
Having taken on this role,
You loved me right down to my soul.
You offered kindness
And greetings with a hug and kiss,
Each freely out of love which I will miss.
I chose a twinkling star in the sky at night ,
To say a prayer for you to it's bright light.
You're in God's Heavens now and no longer in pain,
In my thoughts, you'll always remain
How lucky I was,
How blessed I've been,
You were more than my Aunt,
You were also my friend.
I love you and miss you Aunty Velma*

“ I can remember so many happy times as a kid at aunties house. And then as I got older I would babysit not babysit I would sit with grandma Lily. She would make me watch fake wrestling with her and she always drank Tab. I also remember uncle Buster and Aunt Velma both being a little bit of a hoarder and away. Their spare bedroom was filled to the ceiling with soda one time when we came to visit! But Aunt Velma will always still be in my heart. By the way auntie, The red rose on your coffin is from your husband love Becky and Steve Mcmall
