“ My deepest and sincerest condolences to the family of Vera Miller. Vera welcomed me as the DON at the Maximum Security Unit. She was one of the hardest working and knowledgeable nurses at the unit. She showed me the ropes and helped me to be as tough as she was (I tried anyway) She was such a joy to be around and kept me in stitches with her sense of humor. You never had to wonder what she was thinking because she always told you. Loved this lady. She was a very unique soul.
