“ Bill was not just a friend to those who knew him. God's light shined through him. He was always there in a flash if anyone needed him. He was a great servant of God. He not only talked the talk but walked the walk of a true Christian man of God! We can be sure he now has his new glorified body and is with Jesus and his other family and friends that went before him. May God wrap His arms around those grieving to comfort them. 🙏💕🙏 RIP our friend we will see you again on the other side of Jordan some day
